

DDA MEETING

January 26, 2011

**Roll Call: Sheila Garrett, Linda Carlton, Ardis Cook, Fran Bell,
Kathleen Fett, Wrifton Graham, Diane Diller**

\$113.10 was sent to Sign Impressions for business sign board sign.

\$44.00 was sent to Birch River for annual renewal of website.

Wrifton has sold 2 more Christmas decorations, amount unknown at this time.

It was decided not to use the tree at the bank for Winter Wonderland this year, and possibly have it at the monument.

The DDA will be reimbursing the city for electricity used on light poles when we receive a bill.

More lights are needed for light poles (red, white & blue) to be used Memorial Day and 4th of July. Kathleen will be checking on prices.

Two (2) more signs will be going up on 35th Street, which are already paid for. There's been very good responses from the public on the other signs.

Sheila will be meeting with people from Vicksburg to discuss the cost of demolition of buildings, and will have information at next meeting.

Jim Jackson and Robin from Pizza King have shown an interest in being on the DDA board. Wrifton will be printing up applications.

Need to find out if on the Paint Grant Reimbursement Guidelines, if there's a time limit printed on the applications.

Applicants for the Galesburg Business District Sign must be business owners in the Galesburg Business District; all signs must be approved by the DDA.

Sheila will contact the City Attorney about getting TIFF information for the DDA.
